

COLORADO LANDLORD LEGISLATIVE COALITION

Our mission is to empower landlords and property managers from all over Colorado to become a part of the legislative process by offering a means to collaborate and negotiate with legislators while educating policymakers about the rental housing industry. The COLORADO LANDLORD LEGISLATIVE COALITION aspires to create positive legislative change for those that provide housing for others and in turn the renters of Colorado.

Now more than ever, landlords need to be vigilant in protecting our rights. We cannot afford to stand by and allow lawmakers to make decisions regarding our livelihoods. We must unite and create political change.
